

Now Hiring: Full-Time HVAC Service Technician

We are a growing mechanical contractor with a primary focus on HVAC service and installation, along with select plumbing and electrical work. We are looking for a dependable, skilled Service Technician to join our team full-time.

Work Schedule You'll Love:

- 4 – 10 hour days
- Weekends OFF unless on-call
- One additional day off during the week
- On-call rotation 2 days at a time 2 times per month

Position Requirements:

- Minimum 3+ years of hands-on HVAC experience
- Additional plumbing & electrical experience preferred
- EPA 608 Certification
- Valid Pennsylvania driver's license
- Ability to lift 50 lbs
- Ability to participate in on-call rotation within our service area
- Physical stamina to perform tasks in various environments and weather conditions
- Strong diagnostic and customer service skills

What We Offer:

- Full-time, year-round employment
- 4 day work week
- Pay differential for on-call time
- Competitive weekly pay based on experience
- Medical/Dental/Vision

- Paid time off
- Roth IRA
- All tools provided
- Professional team environment
- Opportunity for growth with a respected local company

If you're a motivated technician who takes pride in quality workmanship and professionalism, we want to talk to you.
